FFA Interview Preparation Guide

Interview preparation guide for FFA members getting ready for job, scholarship, or degree interviews, with steps for research, practice answers, presentation, and follow-up thank-you notes.

Farm / unit: _____ Date: _____ By: _____

1. Research the organization or program
2. Review your own records and goals
3. Write answers to common questions
4. Practice with a teacher or advisor
5. Choose neat, appropriate clothing
6. Plan your travel and arrival time
7. Bring copies of your materials
8. Listen carefully and answer clearly
9. Send a thank-you note afterward

YOUR NOTES

TIP Practice aloud with a friend, because speaking the answers makes them easier to recall under pressure.
