Cover Crop Grazing Worksheet

A worksheet for planning grazing of cover crops, showing species, timing and animal use, for farmers who integrate livestock with crop ground. Work through it top to bottom, using your own records, and revisit it when conditions change.

Farm / unit: _____ Date: _____ By: _____

Field and cover crop mix _____

Planting date and stage _____

Livestock class and group size _____

Forage availability estimate _____

Access and water plan _____

Safety checks for toxic forage _____

Grazing start and end dates _____

Notes on soil and next crop _____

NOTES / CALCULATIONS

TIP Check herbicide labels for grazing restrictions on the field before turning animals in.
