# CRP Forage Management Guide

A guide to managing forage on CRP land, with notes to record, for landowners who follow program rules. Work through the steps in order, and keep notes on what you decide for future reference.

Farm / unit: _____ Date: _____ By: _____

1. Read your CRP contract
2. Know permitted uses
3. Check haying and grazing rules
4. Record cover condition
5. Plan management activities
6. Keep records of actions
7. Report as required
8. Contact your FSA office

**YOUR NOTES**

**TIP** Check current CRP rules with your FSA office before any haying or grazing.
