Feed Inventory from Forages

A worksheet for tallying feed inventory from forages, listing hay, silage and baleage on hand, for producers planning winter. Fill in the lines with your own farm figures and keep the finished sheet with your planning records.

Farm / unit: _____ Date: _____ By: _____

Hay by type and location _____

Silage and baleage on hand _____

Stored quality results _____

Estimated feed value _____

Livestock groups to feed _____

Months of feed available _____

Shortfall or surplus _____

Purchase or sale plan _____

NOTES / CALCULATIONS

TIP Count what is in storage before winter and compare it with the feed budget.
