Forage Budget Worksheet

A worksheet for budgeting the forage needed for a livestock herd through the year, matching supply with demand. Work through it top to bottom, using your own records, and revisit it when conditions change.

Farm / unit: _____ Date: _____ By: _____

Livestock class and numbers _____

Daily forage needs per group _____

Grazing days available _____

Stored feed needed _____

Hay on hand _____

Hay to buy or make _____

Supplement needs _____

Notes on shortages _____

NOTES / CALCULATIONS

TIP Add a margin for poor weather and update the budget when actual numbers change.
