# Forage Price Tracker

A price tracker for forage, recording market prices over time so producers can compare and plan sales. Use it through the season so patterns and problems are easy to spot when you review it later.

Farm / unit: _____ Date: _____ By: _____

| Date | Forage type | Market | Price | Quality | Source |
|---|---|---|---|---|---|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
