Forage Seed Production Guide

A guide to producing forage seed, from field selection to harvest and handling. Use it as a reference in the field or office, and adapt the steps to your own operation.

Farm / unit: _____ Date: _____ By: _____

1. Choose species and certified source
2. Select an isolated field
3. Prepare fertility per soil test
4. Plan weed control
5. Monitor flowering and seed set
6. Time harvest carefully
7. Dry and handle seed
8. Keep records

YOUR NOTES

TIP Ask your extension office and state seed agency for crop specific advice.
