Multi-Species Grazing Plan

A template for a multi-species grazing plan, outlining species, paddocks and management when several kinds of livestock share forage. Fill in each section for your own operation and update it as plans change.

Farm / unit: _____ Date: _____ By: _____

Goals and species involved

Forage inventory

Paddock layout

Species grazing order

Fencing for each species

Water and shelter

Health and parasite plan

Monitoring and records

TIP Ask your veterinarian about disease and parasite risks when species graze together.
