# Pasture Recovery Plan Template

A template for a pasture recovery plan after drought, flood or overgrazing, giving producers an outline for restoring forage. Fill in each section for your own operation and update it as plans change.

Farm / unit: _____ Date: _____ By: _____

## Cause and extent of damage

## Recovery goals

## Rest and deferment plan

## Fertility and seeding steps

## Weed control plans

## Interim feed sources

## Monitoring plan

## Timeline and review

**TIP** Check NRCS for technical help and cost share on recovery practices.
