Rotational Grazing Plan Template

A template for building a rotational grazing plan that lays out paddocks, rest periods, water and records, used by livestock producers moving from continuous grazing.

Farm / unit: _____ Date: _____ By: _____

Goals for the grazing system

Livestock groups and class

Map of paddocks and water

Forage inventory by paddock

Move triggers and rest approach

Drought and contingency plan

Monitoring and record keeping

Annual review notes

TIP Sketch the plan on a farm map first, then fill in the sections as you learn how each paddock grows.
