Winter Grazing Plan

A plan for winter grazing that covers forage supply, water, shelter and feeding, for livestock producers extending the grazing season. Use it as a starting outline, then adjust each section to fit your farm and your advisers.

Farm / unit: _____ Date: _____ By: _____

Winter goals and livestock groups

Available stockpiled or stored forage

Paddock use order

Winter water plan

Shelter and windbreaks

Supplement and mineral plan

Animal condition checks

Spring recovery notes

TIP Walk each paddock before winter so you know the forage you can count on and the gaps to fill.
