Community Forest Planning Guide

A community forest planning guide for towns and neighborhoods that want to care for local trees together. It lists steps from vision to action.

Farm / unit: _____ Date: _____ By: _____

1. Gather community members
2. Define a shared vision
3. Review existing trees
4. Identify planting needs
5. Find partners and funding
6. Set priorities
7. Draft an action plan
8. Assign responsibilities
9. Review progress each year

YOUR NOTES

TIP Invite residents, schools, and local agencies to plan together so the effort is shared and lasting.
