Forest Enterprise Budget Worksheet

A forest enterprise budget worksheet for estimating costs and returns from a woodland activity. Use it to compare management options before committing money.

Farm / unit: _____ Date: _____ By: _____

Enterprise name _____

Expected products _____

Expected sales income _____

Establishment costs _____

Annual upkeep costs _____

Labor needs _____

Equipment costs _____

Time to first return _____

Risks and assumptions _____

NOTES / CALCULATIONS

TIP Update your estimates with real local prices and quotes, and have a forester or farm advisor review the assumptions.
