Forest Fire Evacuation Plan

A forest fire evacuation plan template for woodland households and crews. Use it to record routes, meeting points, contacts, and what to take.

Farm / unit: _____ Date: _____ By: _____

Household or crew members

Evacuation routes

Meeting points

Emergency contacts

Animal and equipment plans

Documents to take

Communication plan

Alert sources monitored

Plan practice dates

TIP Practice the routes with everyone, and watch alerts from your local emergency office during fire season.
