Forestry Lease Template

A forestry lease template outline for woodland leases such as hunting, grazing, or timber. Use it to list the points a written lease should cover.

Farm / unit: _____ Date: _____ By: _____

Parties and contacts

Property description

Purpose of lease

Lease term

Payment terms

Land care duties

Water and soil protection

Insurance and liability

Ending the lease

Signatures

TIP Have an attorney review any lease before signing, and attach a map of the leased area.
