# Sap Collection Record

A sap collection record for tracking tapping, collection, and sap flow through the season. Use it to compare weather, volume, and sap quality across days.

Farm / unit: _____ Date: _____ By: _____

| Date | Tap area | Weather | Sap collected | Quality notes | Initials |
|---|---|---|---|---|---|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
