Schoolyard Forest Plan

A schoolyard forest plan template for schools adding trees and woodland learning areas. Use it to describe the site, species, lessons, and care.

Farm / unit: _____ Date: _____ By: _____

School and site description

Goals and learning uses

Tree and shrub species

Planting layout

Safety considerations

Maintenance plan

Student roles

Partners and funding

Review schedule

TIP Involve teachers, students, and grounds staff early, and plan summer watering before planting.
