Tree Identification Quiz

A tree identification quiz handout for students and hobbyists. Use it to test recognition of local trees by leaf, bark, and form.

Farm / unit: _____ Date: _____ By: _____

Quiz title and level

Leaf shape questions

Bark questions

Needle or leaf type questions

Fruit and seed questions

Tree form questions

Native species questions

Answer key

Field walk activity

TIP Use real leaves and bark from nearby trees to make the quiz match what learners will see outdoors.
