Wetland Forest Restoration Guide

A wetland forest restoration guide for owners planning to restore wet woodland. It lists planning, site, and planting steps in order.

Farm / unit: _____ Date: _____ By: _____

1. Define restoration goals
2. Check permits and rules
3. Assess hydrology and soils
4. Identify water sources
5. Select suited species
6. Prepare the site
7. Plant or seed
8. Control weeds and invasives
9. Monitor water and survival

YOUR NOTES

TIP Talk to NRCS or your state wildlife agency early, since wetland work often involves permits and technical help.
