Woodland Assessment Worksheet

A woodland assessment worksheet for walking a property and recording what you see. Landowners use it to note tree condition, access, water, and problems before writing a management plan.

Farm / unit: _____ Date: _____ By: _____

Property name _____

Date walked _____

Dominant tree species _____

General tree health _____

Understory and regeneration _____

Stream or wet areas _____

Access and road condition _____

Signs of pests or disease _____

Wildlife sign seen _____

NOTES / CALCULATIONS

TIP Walk the property in more than one season so the notes reflect leaf-on and leaf-off conditions.
