Farm Annual Plan Template

A farm annual plan template for setting out the coming year's production, finances, labor, maintenance and goals on one framework, so owners can plan ahead and review it as the year goes.

Farm / unit: _____ Date: _____ By: _____

Year in review notes

Main goals for the year

Crop and livestock plans

Labor and training needs

Equipment and building plans

Marketing plans

Financial targets

Risk and insurance review

Calendar of key dates

Review schedule

TIP Build the plan with your partners and your lender or advisor, and revisit it each season.
