# Farm Frost Record

A farm frost record for noting frost and freeze events by date and field, along with plant effects, so growers can plan around local patterns from year to year.

Farm / unit: _____ Date: _____ By: _____

| Date | Field or block | Frost type | Crop stage | Damage seen | Action taken |
|---|---|---|---|---|---|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

**TIP** Walk the same low spots each time, since cold air settles in the same places.
