Farm Prioritization Worksheet

A farm prioritization worksheet for ranking projects and tasks by importance, cost and timing, so owners spend limited time and money on the jobs that matter most.

Farm / unit: _____ Date: _____ By: _____

Project or task _____

Why it matters _____

Effect if delayed _____

Time needed _____

Cost estimate _____

Help needed _____

Season or deadline _____

Priority rank _____

Decision and next step _____

NOTES / CALCULATIONS

TIP Rank with your partners together so everyone sees why some items wait.
