Farm Quarterly Review Template

A farm quarterly review template for stepping back every three months to compare plans with results, adjust goals and decide what to change before the next quarter.

Farm / unit: _____ Date: _____ By: _____

Quarter covered

Goals and progress

Production results

Income and expense summary

Equipment and repair notes

Labor and safety notes

What worked well

What did not work

Changes for next quarter

Action items

TIP Schedule the review on the calendar early so it does not get crowded out by chores.
