Farm Training Manual Template

A farm training manual template for organizing job instructions, safety rules and farm policies for new and seasonal workers, so training is consistent and easy to repeat.

Farm / unit: _____ Date: _____ By: _____

Welcome and farm overview

Roles and expectations

Safety rules

Equipment instructions

Animal handling basics

Chemical handling reminders

Emergency steps

Daily routines

Who to ask for help

Sign-off page

TIP Use the manual alongside hands-on training and have each worker sign that they reviewed it.
