Edible Landscape Design Guide

A guide to designing an edible landscape. It helps homeowners mix food plants with ornamentals in a pleasing and productive way. Fill it in by hand and file it so you can compare notes year to year.

Farm / unit: _____ Date: _____ By: _____

1. Map sun and shade
2. Choose edible plants that suit you
3. Mix with ornamentals
4. Plan paths and access
5. Group plants by water needs
6. Add pollinator plants
7. Plan seasonal interest
8. Record results by year

YOUR NOTES

TIP Start small and add beds each season as you learn what thrives.
