Flower CSA Planning Worksheet

Plan a flower CSA program. Growers list shares, bloom plans, and pickups so members get a steady supply of flowers. Keep a printed copy handy and fill it in as you work.

Farm / unit: _____ Date: _____ By: _____

Number of members and share types _____

Season dates and notes _____

Flower and green plan by week _____

Succession planting dates _____

Conditioning and packing plan _____

Pickup or delivery plan _____

Member communication and notes _____
