Horticulture Farm Risk Management Plan

A template for a horticulture farm risk management plan. It outlines major risks and responses so you are ready for problems. Keep a printed copy handy and fill it in as you work.

Farm / unit: _____ Date: _____ By: _____

Production risks such as weather and pests

Market and price risks

Financial risks and notes

Legal and regulatory risks

People and labor risks

Planned responses to each risk

Insurance and safety net tools

Review dates and notes

TIP Review the plan each year and talk with your insurer and lender.
