Horticulture Food Safety Plan

A template for a horticulture food safety plan. It outlines the basics growers cover, and should be reviewed against current rules and your buyers. Use a fresh copy each season and keep old ones for comparison.

Farm / unit: _____ Date: _____ By: _____

Farm description and map

Water sources and use

Worker health and hygiene

Soil amendments and compost

Animals and wildlife

Harvest and packing sanitation

Training and records

Corrective actions and notes

TIP Check current FDA produce safety rules and your buyer requirements before finalizing.
