Horticulture Waste Management Plan

A template for a horticulture waste management plan. It outlines how a farm handles plant waste, packaging, and chemical containers. Print a copy for each season and keep the filled pages with your farm records.

Farm / unit: _____ Date: _____ By: _____

Types of waste produced

Collection and storage areas

Composting plan for plant waste

Plastic and packaging plan

Chemical container handling

Disposal or recycling contacts

Staff responsibilities and notes

Review and records

TIP Check state and local rules for disposal, especially for chemical containers. Keep it with your records.
