Orchard Pollinator Habitat Plan

A plan outline for pollinator habitat in an orchard. Growers use it to choose sites, plants, and care so wild and managed bees have food and shelter.

Farm / unit: _____ Date: _____ By: _____

Habitat goals and location

Site map with sun and soil notes

Plant list for bloom through the season

Planting method and timing

Nesting areas and shelter

Pesticide drift protection

Maintenance plan and notes

Monitoring and results

TIP Check for NRCS and Xerces resources on regional plants, and keep bloom notes each season.
