Permaculture Design Worksheet

Use this worksheet for a permaculture design. It guides you to observe a site and list goals, zones, and elements before you plan. Print a copy for each season and keep the filled pages with your farm records.

Farm / unit: _____ Date: _____ By: _____

Site name and size _____

Climate and sun notes _____

Water flow and sources _____

Soil observations and notes _____

Goals for the site _____

Zones and sectors _____

Main elements and uses _____

Phases for building _____

NOTES / CALCULATIONS

TIP Observe a site through a full season before making large changes. Keep it with your records.
