Pollination Contract Template

A template for a pollination services agreement between a grower and beekeeper. It outlines the basics to cover; have an attorney review before signing. Keep a printed copy handy and fill it in as you work.

Farm / unit: _____ Date: _____ By: _____

Parties and contact information

Crop and location

Number of hives and strength

Placement and access

Timing of delivery and removal

Pesticide notice and protection

Payment terms and notes

Insurance and liability notes

TIP Have a licensed attorney review the final agreement and check state apiary rules.
