Pollinator Garden Planning Worksheet

Plan a pollinator garden. Users list site details, plants, and bloom times so pollinators have food through the growing season. Keep a printed copy handy and fill it in as you work.

Farm / unit: _____ Date: _____ By: _____

Site and size _____

Sun and soil notes _____

Native plants chosen _____

Bloom time by season _____

Nesting and shelter areas _____

Water source and notes _____

Pesticide avoidance plan _____

Maintenance notes and notes _____

NOTES / CALCULATIONS

TIP Choose plants native to your region and check local extension or NRCS lists.
