Produce Labeling Guide

A reference for labeling produce for sale. Growers use it to line up what belongs on labels and signs, with a prompt to check state and federal rules.

Farm / unit: _____ Date: _____ By: _____

1. Product name is clear
2. Farm name and address
3. Lot or pack date code
4. Weight or count if required
5. Origin information if required
6. Allergen or ingredient notes if processed
7. Organic or other claims verified
8. Check state and federal labeling rules

YOUR NOTES

TIP Label rules differ by product and state, so check with your state agriculture department and the FDA.
