Shade Cloth Management Guide

A guide to managing shade cloth. Growers use it to choose, install, and adjust shade so crops handle heat and light well. Print a copy for each season and keep the filled pages with your farm records.

Farm / unit: _____ Date: _____ By: _____

1. Note crop light needs
2. Choose shade type by label
3. Install on a sound frame
4. Check fasteners and tension
5. Plan when it goes on and off
6. Watch crop response
7. Clean or replace worn cloth
8. Record dates and results

YOUR NOTES

TIP Follow the manufacturer label for shade level and record crop results for each use.
