Boom Sprayer Plumbing Diagram Worksheet

A worksheet for drawing and labeling the plumbing on a boom sprayer, so owners and operators know how tank, pump, valves, and lines connect.

Farm / unit: _____ Date: _____ By: _____

Sprayer make and model _____

Tank and agitation line layout _____

Pump type and location _____

Strainer and filter locations _____

Control valve and manifold setup _____

Boom section lines and shutoffs _____

Nozzle body and check valves _____

Return and rinse line paths _____

Sketch of the system and date _____

NOTES / CALCULATIONS

TIP Take photos while you draw, and tag valves so a new operator can follow the flow.
