CSA Budget Template

A CSA budget template for farm owners estimating income and costs for a membership season. Use it to see whether share prices and member counts cover seed, labor, packing, and delivery.

Farm / unit: _____ Date: _____ By: _____

Expected member count _____

Share price _____

Total expected income _____

Seed and plant costs _____

Labor costs _____

Packing and box costs _____

Delivery or fuel costs _____

Marketing and admin costs _____

Expected profit or shortfall _____

NOTES / CALCULATIONS

TIP Update the budget after each season with real numbers so next year's share price rests on what actually happened.
