Farm Business Card Template

A farm business card template for farms printing cards to hand out at markets and events. It sets the layout for contact details, logo, and what the farm sells.

Farm / unit: _____ Date: _____ By: _____

Farm name and logo

Owner name and title

Phone number

Email address

Website

Farm address or market location

Short list of products

Social media handle

Space for a note on the back

TIP Keep the card simple and readable, and carry some everywhere you sell.
