Farm Cheese Subscription Plan

A farm cheese subscription plan template for dairies planning to sell cheese on a recurring basis. It organizes cheese types, rules, packaging, shipping, and pricing for review.

Farm / unit: _____ Date: _____ By: _____

Subscription concept and name

Cheeses included

Milk supply and production schedule

Food safety and license rules

Aging and storage needs

Packaging and cold shipping plan

Pricing and payment terms

Customer sign-up process

Risks and backup plans

TIP Check your state dairy rules and ask an extension specialist to review your plan before you open signups.
