Farm Estimate Template

A farm estimate template for farms giving customers a rough cost for work or goods. It outlines the scope, estimated costs, assumptions, and how the final price may change.

Farm / unit: _____ Date: _____ By: _____

Farm name and contact

Customer name and contact

Estimate number and date

Description of work or goods

Estimated quantities

Estimated costs

Assumptions made

What could change the price

Approval signature

TIP Make clear that an estimate is not a final price and note what could change it.
