Farm Online Course Planning Template

A farm online course planning template for farms creating a paid or free class. It organizes goals, lessons, materials, platform, and pricing so the course comes together in order.

Farm / unit: _____ Date: _____ By: _____

Course title and goal

Target learners

Lesson list and order

Materials and handouts

Video or reading plan

Platform and tools

Pricing and access terms

Launch and promotion plan

Feedback and update plan

TIP Sketch every lesson on one page before filming or writing anything, then test the first lesson with a friend.
