Farm Podcast Planning Template

A farm podcast planning template for farmers who want to start an audio show. It outlines the topic, format, guests, equipment, and release schedule in one place.

Farm / unit: _____ Date: _____ By: _____

Podcast name and topic

Target listeners

Episode format and length

Host and guest list

Equipment and recording space

Episode topic list

Release schedule

Where it will be published

Ways to promote episodes

TIP Record a few episodes before launch so you can release on schedule without rushing.
