Farm Refund Policy Template

A farm refund policy template for farms setting clear rules for refunds on products and services. It sets out what qualifies, how to ask, and how refunds are paid.

Farm / unit: _____ Date: _____ By: _____

Farm name and contact

Products or services covered

When refunds are offered

Items not refundable

How to request a refund

What the customer must provide

How refunds are paid

Time frame for decisions

Policy effective date

TIP Post the policy where customers can see it and have an attorney check it against state rules.
