Farm Sunflower Maze Planning Guide

A farm sunflower maze planning guide for growers building a maze or picking field from sunflowers. It gives steps for planning layout, planting, and opening so blooms and visitors line up.

Farm / unit: _____ Date: _____ By: _____

1. Choose a sunny, accessible field
2. Pick varieties and bloom timing
3. Sketch the path layout
4. Plan planting dates around opening
5. Prepare the soil and seedbed
6. Mark and mow the paths
7. Post signs and visitor rules
8. Plan parking and photo spots
9. Note results for next year

YOUR NOTES

TIP Plant a few extra blocks at different times so something is always in bloom during your open weeks.
