Farm Tour Script Template

A farm tour script template for guides who lead visitors around the farm. It organizes stops, stories, and safety reminders so every guide gives a clear and consistent tour.

Farm / unit: _____ Date: _____ By: _____

Welcome and introductions

Safety reminders

Farm history

First stop and what to say

Animal or crop stop

Equipment stop

How food gets from field to table

Questions from guests

Closing and thank-you

TIP Rehearse out loud with a friend and trim any stop that runs long or loses the group's attention.
