Farm White Paper Template

A farm white paper template for farms or groups writing an in-depth report on a topic. It sets out the question, background, findings, and recommendations for readers.

Farm / unit: _____ Date: _____ By: _____

Title and author

Summary of the question

Background and context

Methods or sources

Findings

Discussion of options

Recommendations

Sources and references

About the author or farm

TIP Cite your sources clearly and have someone outside the farm read it before you share.
