Farm Wholesale Price Sheet Template

A farm wholesale price sheet template for producers giving buyers a clear list of products and wholesale prices. It sets out units, packing, and ordering terms on a single page.

Farm / unit: _____ Date: _____ By: _____

Farm name and contact

Price sheet effective period

Product names and varieties

Unit and pack size

Wholesale price per unit

Minimum order terms

Ordering and delivery days

Payment terms

Notes on availability

TIP Send an updated sheet to buyers whenever prices change and mark the old one as replaced.
