Emergency Spill Response Plan

This emergency spill response plan template lays out who does what when a pesticide spill happens, from stopping the source to cleanup and reporting. It suits farm owners, scouts and crew who want a consistent written record.

Farm / unit: _____ Date: _____ By: _____

Farm and storage locations

Spill response team and roles

Emergency numbers

Steps to control and contain

Cleanup materials and location

Steps for people exposed

Reporting contacts

Review and drill schedule

TIP Check your state rules on reporting spills and post the plan where all handlers can see it.
