Invasive Species Management Plan

Use this invasive species management plan template to outline how you will detect, prevent and control an invasive plant or pest on your land over time.

Farm / unit: _____ Date: _____ By: _____

Property and species identified

Map of affected areas

Goals for the plan

Prevention steps

Control methods chosen

Monitoring schedule

Partners and agencies

Review and update date

TIP Contact your state agriculture agency or extension to confirm the right control methods and any reporting duties.
